

About the competition

The Aviva Community Fund

The Aviva Community Fund offers us the chance to get funding for an important event in our community.

It's open to everyone – the general public as well as Aviva customers, employees, insurance brokers or financial advisers (whether associated with Aviva or not). The Rotary Club of Exmouth & District has entered our Kite Festival as a project for their community support and the difference these Aviva Funds will make to strengthen this event.

We hope to get enough votes from friends, family and supporters in our community and beyond so that our project could be entered into the Finals, where a judging panel will award the funds.

Voting

Once voting opens on **24 October 2017**, please start sharing our project with as many friends, family and community supporters as possible to get their votes. The projects with the most votes will become finalists.

Anyone who lives in the UK and registers on the Aviva Community Fund website can vote for projects between 24 October and **21 November 2017**.

You'll get 10 votes which you can use at any time during the voting phase of the competition. Please support our project.
