### Camping Arrangements:

For the last few years we had to arrange the camping in the Rugby ground rather than around the edge of the ground. This proved to be quite successful and certainly allowed for a better backdrop of Kites flying against the Exe estuary and the distant Haldon Hills. Regretfully the new layout now precludes us from being able to camp around the perimeter.

Happily we have agreed a camping facility with the Exmouth Rugby Club at £10.00 per pitch per night. This will include facility for showers and water supply but no electric hook ups.

The camping area will be clearly signed when you arrive. It is positioned at the far end of the pitch and there will be a pedestrian access gate through to the Arena area. On receipt of your returned form we will reserve a pitch for you.
