Please vote for : THE EXMOUTH GIG ROWING CLUB

We are a relatively new club formed for the benefit of the community. Our members are from all backgrounds and range from 17 to 70 years old. We offer a fun way to keep fit, socialise or be part of a team and be competitive.

We offer regular sessions a week plus many extras sessions for either social events or competitive training. We also partake in the Gig World Championships and local regattas during the summer months.

We launch from Shelly Beach and are able to use either the sea or the estuary which means we can offer rowing sessions all year around.

Our future plans include setting up Junior crews for children 14 to 17 year olds. As well as the enjoyment of being out on the water, Juniors will be rowing as part of a team, learning about safety at sea, developing personal fitness and will also get the opportunity to compete.

For this we need more life jackets, safety equipment and additional training for our junior support staff.

To arrange a beginners row or find out more please visit exmouthgigclub.com

Please help us offer more to our community vote

Exmouth Gig Club Today.
